

Hello parents/guardians of C.N.S. basketball,

We want to hear from you about how the season is going for you and your child/children, thus far. Keeping in mind that some things may not be addressed mid season, we would like to hear your feedback and suggestions. If there are things we can address right away to better serve our families and of course our players, we will certainly do so.

Please take a moment to fill out this quick survey (names are not required) and place it in the manilla folder, hanging next to my office door, on the stage. You may also send me your ideas/suggestions via email: jbias@cnsuschools.org. We want to make sure that all of our student athletes are finding success both on and off the court and are having fun doing so. Please try to submit your feedback, so we can begin to make any necessary adjustments.

Thank you,

Jeremiah L. Bias
C.N.S. Basketball Coordinator
